GATHERINGS

Gathering folks for food and fun?

We can accommodate a few or several hundred, and we know everyone loves BBQ! Especially when it's made by hand with fresh and authentic ingredients.

ABOUT CHARLIE'S TEXAS BBQ

Who is Charlie?

Stefan is the Pit Master and he named the business after his father. *[Charles is also Stefan's middle name]*

An Englishman makes Texas BBQ?

Indeed! After a Pecan tree fell — just missing his house in Austin — Stefan bought a smoker and a chain saw. As one does.

He called this experience his “Texas Passport” and was inspired to earn his way into the discriminating palates of central Texans by learning to smoke impressively delicious BBQ. In doing so he won over their hearts and stomachs and is now doing the same in Vail Valley!

A two-time “Best of Vail Valley” winner and 2023 “Best of the Colorado Sun” winner, Charlie's continues to gain local popularity. Charlie's looks forward to impressing your guests at your next gathering.
